Asia e University (AeU) is a collaborative multinational university instituted under the Asia Cooperation Dialogue (ACD), a body created in 2002 to promote Asian cooperation at a continental level. Established as an initiative of Malaysia, a prime mover of e-education, it is supported by 34 ACD Member Countries as confirmed at the ACD Ministerial Meetings held in Islamabad in 2005 and Doha in 2006. AeU is set to promote e-education efforts to meet the human capacity needs of Asia.
