

SCHOOL OF SCIENCE & TECHNOLOGY

Master of ICT Management (R2-DL/4827/0455) (A9885) (05/24)

Master of Information & Communication Technology Management (MICTM) is a multi-mode learning programme offered by Asia e University (AeU). It is designed for people who are from technical and non-technical backgrounds to become future corporate leaders in today's technology driven industries. The flexibility in learning and assessment is ideal for busy working adults who aspire to enhance their qualifications. The programme is approved by the Malaysian Ministry of Education and accredited by the Malaysian Qualifications Agency.

Girija Sachidanantham
*Database Administrator, Alice Smith School
MICTM Graduate*

Learning Outcomes

Upon completion of the programme, students will be able to:

- Use ICT techniques effectively in solving problems and making decisions in any organisation.
- Relate their academic study with the current work-related problems through the acquired theories and concepts.
- Skills in analysing complex problems, make the right decisions and apply strategic thinking and organisational planning in ICT.

Entry Requirements

REGULAR ENTRY (Admissions to Malaysian and International Students)

Bachelor's degree or other equivalent qualifications as accepted by the AeU Senate.

FLEXIBLE ENTRY (For Malaysian only)

Accreditation of Prior Experiential Learning (APEL)

- Minimum 30 years of age as of 1st January in the year of application.
- Possess at least STPM / 'A' Level / Diploma / equivalent (e.g. foundation) with relevant work experience.

English Language Competency For International Students:

Minimum score of 6.0 for IELTS OR its equivalent.

Any international student from countries using English as an official medium of instruction or from an academic institution using English as a medium of instruction, shall normally be exempted from the above requirement.
