(N/0414/7/0264) (03/30) (MQA/PA18118) - CVL

PROGRAMME OVERVIEW

The Master in Management (MIM) at Asia e University is a versatile and industry-driven postgraduate programme crafted to develop effective, ethical, and agile leaders. Whether you are leading a team, a business unit, or aspiring to senior management, the MIM equips you with the managerial acumen, strategic mindset, and leadership skills to thrive in any sector.

Tailored for professionals from diverse backgrounds, the programme blends foundational business knowledge with contemporary management practices aligned to global trends and workplace expectations.

LEARNING OUTCOMES

- Demonstrate business functions of the complex organisational issues which managers encounter, and provides ideal preparation for a wide range of business and management careers.
- Demonstrate the skills and principles of lifelong learning in their academic and career development.
- Gain cutting edge expertise in corporate management, and ability to provide solutions to practical business issues by applying managerial theories.
- Obtain a balanced perspective on business, with teaching that combines rigorous academic theory and practical application.
- Develop a critical theoretical perspective which will inform their own developing management practices.
