

# AeU: Achieve academic excellence and life goal

**TODAY, pursuing higher education is easier in fulfilling the individual's dream and life goal.**

Balancing studies with work and family commitments is not easy, flexibility and the ease of accessibility is a key consideration in furthering study for the working adults.

Advancing to higher education at Asia e University (AeU) could lead to a life changing experience in achieving academic excellence and improving your career path and choices, that gives you a better income and the kind of lifestyle you choose, notwithstanding also the enhancement in knowledge and fulfilment. The programmes offered are flexible, affordable, personalised and complement the lifestyle of students.

Students can choose between full time or part time mode of study through its fully on line, blended learning and even work-based learning depending on their lifestyles as AeU's programmes are accessible 24/7.

About 3 to 5 face-to-face sessions for each class per semester

will be conducted for part time students and relevant learning materials will be uploaded in a user friendly e-learning platform called Personalised Learning Space (myPLS) for students to download, read and practice at their own learning time. AeU offers more than forty (40) high quality academic programmes through five (5) schools; the School of Management, School of Education & Cognitive Sciences, School of Information & Communications Technology, School of Arts, Humanities & Social Sciences and School of Graduate Studies. All academic programmes are internationally benchmarked, approved by the Malaysian Ministry of Education and accredited by the Malaysian Qualifications Agency.

For Bachelor's degree programme, Open Entry candidate must be at least 21 years old and possess a minimum of 'O' Level / SPM or equivalent.

For Master's degree programme the candidate must be at least 35 years old and possess a minimum

Diploma / STPM or equivalent or prior learning experience relevant to the programme.

There are three intakes every year; January, May and September. Registration is available online, and at-counter registration at AeU's Main Campus, Jalan Sultan Sulaiman, Kuala Lumpur; or at any of its learning centres all over Malaysia.

Though registrations are open based on the month of intakes, registrations for postgraduate (by research) programmes are open throughout the year.
