

Education Supplement

AeU, The University of Choice For Education Excellence

Pursuing higher education today is easier in fulfilling the individual's dream and life goal. Advancing to higher education at Asia e University (AeU) as your university of choice, could lead to a life changing experience in achieving education excellence and improving your career paths, that gives you a better income and the kind of lifestyle you choose, notwithstanding also the enhancement in knowledge and fulfillment.

AeU's Uniqueness

AeU is an international university, established in 2007 and has grown to become one of the leading provider of Online Distance Learning (ODL) in Malaysia. The programmes offered are flexible, affordable, personalised and complement the lifestyle of students. The programmes are designed drawing upon the collective expertise of partners in the Asian regions. AeU today has an enrolment of more than 15,000 students internationally, and has graduated over 5,000 graduates thus far.

Recognition

AeU has been acclaimed with top honours and awards such as the winner of Brand Laureate Awards 2010 for "Best Brand in Education - e-Education," the winner of the Asia Pacific Entrepreneurship Awards 2010 under the "Most Promising Entrepreneur" category and the prestigious Multimedia Super Corridor (MSC) status award, which is a testament to its commitment to integrating technology and innovation into its teaching and learning methods.

Achieve Academic Excellence Through AeU's Flexible Programmes

AeU offers more than forty (40) high quality academic programmes through five (5) schools; the School of Management, School of Education & Cognitive Sciences, School of Information & Communications Technology, School of Arts, Humanities & Social Sciences and School of Graduate Studies. All academic programmes are internationally benchmarked, approved by the Malaysian Ministry of Education and accredited by the Malaysian Qualifications Agency.
