AeU's new relocated Subang Jaya campus.

## ➤ Festive promotions, flexible programmes and new relocated 21st-century campus

**T**HE campus experience is an important part of one's education as it supports diverse learning opportunities and provides possibilities for academic achievement among other benefits.

Asia e University understands that it is a vital part of education hence, the relocation to the new AeU campus in Subang Jaya. The facility, which is two times larger than its previous campus, marks a milestone for AeU - one of Asia's premier Open and Distance Learning (ODL) institutions. Besides affirming its commitment in providing education, it also reveals an important step in achieving its objectives to educate, inspire and empower its students.

The eight-storey campus building is established on 30,000sf of land and offers a built-up space of around 86,000sf. It is ideally located in Subang Jaya, well facilitated with

amenities and conveniences including all forms of easily accessible transport.

Students can expect a 21st-century learning environment as the campus provides for formal and informal learning means and methods and supports the development of a global learning community. Fully wireless and equipped with cutting-edge technology that gives access to the world of e-learning and e-resources; students' learning needs and comforts are considered. From well-sized classrooms, theatre, learner's service centre, offices, conference room, video conferencing rooms and meeting rooms to adequately provided student, alumni and partners' services, there is even warehouse space at the rooftop which may be converted into a multi-purpose hall for university or student events.

The new campus will be able to accommodate more than 5,000 students and is destined to attract academicians and students from around the world. Iconic features aimed at enriching a student's learning experience include:

- work spaces for students and researchers - AeU Knowledge Centre, Dedicated Discussion Rooms and Individual Work Spaces;
- social areas - Student Lounges, Recreation Studio and Cafeteria; and
- professionally-focused facilities - Digital Working Studio, Future Learn AR/VR Studio, Multimedia Studio and 3H Early Childhood Education Studio.

As a premier university in Asia which is driving the digital frontier, AeU believes and demonstrates that innovation and technology have the power to democratise and personalise education, plus make it borderless. Its international focus supported by 17,000 graduates and nearly 30,000 globally-connected students from 100 different countries provides for a vibrant setting for education.
